

## Statement of confidentiality

Which \_\_\_\_\_, (registered office:.....;hereinafter referred to as **Declarant**) is made for **Dreher Sörgyarak Rt.** (1106 Budapest, Jászberényi u. 7-11. Hungary ; hereinafter referred to as **Dreher**) as follows:

1. The Parties record that **Declarant** (may) come to know information or data about **Dreher** in connection with the within-named case or project (hereinafter referred to as **Project**). The **Project** performed by **Declarant** is the following: .....
2. By signing the present statement, **Declarant** acknowledges that any information or data about **Dreher** that **Declarant** comes to know shall be deemed as business secret except for those that are generally known or publicised by **Dreher** itself.
3. **Declarant** may use the information or data that become known to him in course of the project solely for the performance of the Project. Under no pretext – with the exceptions listed in point 4 - shall **Declarant** make public, known, accessible or knowable to any third person the information or data that became known to him in course of the Project and may not use these for his other jobs.
4. **Declarant** accepts that he may only supply the information or data that became known to him in course of the Project to his own employees and to subcontractors who are bound by contract and accepted by **Dreher**. Making the information and data public for the employees and subcontractors shall be confidential and may not exceed the extent absolutely necessary for the given project. **Declarant** shall proceed with such due care when choosing the employees and subcontractors and concluding an agreement with them, so as to ensure that **Dreher**'s interests for protecting business secret shall not be breached.
5. The provisions of the present statement may be digressed from only for official notice based on legal remit or with the written permit of **Dreher**. The present statement shall be valid for indefinite time even after the Project is finished. **Declarant** acknowledges that in case he breaches the above-defined obligations, he shall bear civil law and/or criminal liability.

Budapest, 2014.
